The Board of Education is holding a series of community engagement meetings across the state.

You are invited to join Board Members and education staff to share your thoughts on two issues of importance to the Board: graduation requirements and artificial intelligence in education. These meetings are part of the Board's efforts to gather community input on these timely issues.

*If you need special assistance or an auxiliary aid/service to participate in this meeting (like a sign interpreter, interpreter for a language other than English, or wheelchair accessibility), contact Board office staff at (808) 586-3334 and/or BOE.Hawaii@boe.hawaii.gov. Contact us as soon as possible, but preferably at least three days before the meeting. Requests made early are more likely to be fulfilled.
