Note: Any personal information (such as home addresses, home phone numbers, cell phone numbers) included on the written testimony will become public information.

Accommodation. If you need an auxiliary aid/service or other accommodation due to a disability, please contact Troy Freitas by calling at (808) 478-6207 or emailing troy.freitas@doh.hawaii.gov as soon as possible. Requests made as early as possible will allow adequate time to fulfill your request. Upon request, this notice will be made available in alternate formats such as large print, Braille, or electronic copy.

Estimated times. The Board will attempt to address every agenda item, but no guarantee is intended. Priorities, such as Sunshine Law requirements, may preclude addressing every or any agenda item. The Board reserves the right to adjust the agenda sequence (and any scheduled time if indicated) as necessary to efficiently conduct the meeting.

Technical difficulty. In the event that the audiovisual communication cannot be maintained by all participating Board members and quorum is lost, the meeting will be automatically recessed for up to thirty minutes, during which time, an attempt to restore audiovisual communication will be made. If the Board is able to re-establish audio communication only, the meeting will be reconvened and continue. If the Board is unable to reconvene the meeting because neither audiovisual communication nor audio communication can be re-established within thirty minutes, the meeting will automatically be terminated.
