Meeting materials listed in the meeting agenda will be available in the board packet—at the Commission office (1151 Punchbowl Street, Room 325, Honolulu, HI 96813) and upon request—no later than three business days before the meeting. Meeting 93 of the Legacy Land Conservation Commission will be held in-person and remote (using interactive conference technology under Section 92-3.7, Hawaii Revised Statutes). A person may participate in-person (face mask preferred), online via Zoom, or by telephone.

To request auxiliary aid or service, or accommodation due to a disability, please contact staff as soon as possible, and preferably at least 72 hours prior to the meeting, so that arrangements can be made. Although contacting staff 72 hours before the meeting is not strictly required, the earlier that we receive a request the more likely it is that we can arrange to fulfill that request.

Telephone: 808-586-0921

To Provide Written Testimony

Submit written testimony as early as possible (more than 24 hours before meeting time preferred) to:

- llcc@hawaii.gov, *via email* (preferred); or
- (808) 586-0923, *via fax*; or

Legacy Land Conservation Commission Meeting 93
August 4, 2026

- Division of Forestry and Wildlife - Legacy Land Conservation Commission
1151 Punchbowl Street, Room 325
Honolulu, HI 96813, *via postal mail, shipment, or direct delivery*

To facilitate meeting efficiency, the Commission requests that written testimony indicate if the testifier intends to provide spoken testimony, and how spoken testimony, if any, will be provided (in-person, online via ZOOM, or by telephone). Although staff distributes written testimony to Commissioners as soon as practicable, this does not ensure that a Commissioner will receive it with sufficient time for review prior to decisionmaking. Regardless, the Commission retains all written testimony received prior to the meeting as part of the meeting record.

To Testify In-Person

Sign in at the in-person meeting location, indicating the agenda item(s) about which you intend to speak, or raise your hand/stand up when the Chairperson calls for other public testimony on an agenda item.

To testify Online Via ZOOM

Sign in from the ZOOM waiting room, indicating at sign in or via the ZOOM chat the agenda item(s) about which you intend to speak. Raise the ZOOM hand when the Chairperson calls for other public testimony on an agenda item.

To Testify by Telephone

At the start of the agenda item(s) for which you wish to testify, dial the Zoom number; input the meeting ID; and follow the prompts.

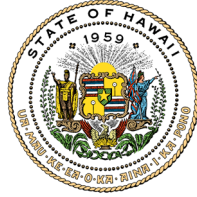

When audiovisual communication cannot be maintained with all Commissioners participating in the meeting or with the in-person meeting location, or when the remote public broadcast is not transmitting an audiovisual link to the meeting, the meeting will be automatically recessed for up to thirty minutes to restore communication. If audiovisual communication is restored within thirty minutes, then the meeting will reconvene at that time. If audiovisual communication is not restored within thirty minutes, then the meeting will terminate and the Commission will schedule another meeting to continue its business.
