VI. New Business

A. Planning Study Close Out Presentation: Transit Asset Management Plan Update

DTS staff will provide a presentation to close out the Transit Asset Management (TAM) Plan Update funded through the Unified Planning Work Program. The TAM Plan outlines strategies, processes, and tools to address DTS's asset management policy and goals and maintain Honolulu's multi-modal transit system in a State of Good Repair. The Federal Transit Administration (FTA) requires updates to the TAM Plan every four years.

The update completed in 2023 included TheBus fixed route bus service and Handi-Van paratransit service, while this 2026 update adds Skyline rail system assets.

The OahuMPO Transportation Improvement Program (TIP) FFYs 2025-2028 supports implementation of the TAM Plan by scheduling transit projects to receive FTA funds. In addition, this plan develops TAM performance targets that OahuMPO adopts in coordination with DTS.

Requested Action: Recommend the Policy Board approve the Transit Asset Management Plan Update as evidence that the work was carried out, submit documentation of the work completed to the USDOT for approval, and incorporate study findings into the metropolitan transportation planning process.

B. Transportation Demand Management Plan Update

In 2023, the City and County of Honolulu Department of Transportation Services completed [HNL Connect: A Transportation Demand](#)

[Management \(TDM\) Plan](#) with federal funding provided by OahuMPO. The plan provides overarching goals for TDM delivery, outlines existing conditions, explores best practices, and provides recommendations for a fully functioning TDM program that informs and encourages travelers to maximize the efficiency of our transportation system.

The HNL Connect program receives on-going federal funding support from OahuMPO through the Oahu Regional Transportation Plan 2050 and the Transportation Improvement Program FFYs 2025-2028.

In this presentation, DTS staff and consultants will provide an overview of FY 2026 program successes, measurable outcomes, and future initiatives supporting sustainable and multimodal transportation. Highlights include key program achievements, community engagement efforts, and initiatives that encourage alternatives to driving alone.

This presentation is for information only.

- I. Invitation to interested members of the public to be heard on matters not included on the agenda**
- II. Announcements**
- III. Adjournment**

PUBLIC TESTIMONY will be accepted on any Technical Advisory Committee meeting agenda item. Testimony may be oral or written. Written testimony is strongly encouraged as the primary means of submitting testimony.

Oral Testimony

Oral testimony will be accepted at the meeting. Anyone wishing to testify orally is encouraged to please sign up in advance by emailing oahumpo@oahumpo.org. You may also advise us at the meeting if you would like to testify orally. To accommodate all possible testifiers, oral testimony will be limited to 2 minutes. Please note that you may submit written testimony. See below.

Written Testimony

To aid the Committee in the distribution of written testimony to members, the Committee requests that written testimony be submitted 24 hours in advance (for Friday meetings, please submit written testimony to the OahuMPO office by the prior Thursday morning). Your cooperation is greatly appreciated.

Written testimony may be sent to OahuMPO via e-mail at oahumpo@oahumpo.org or to our office at:

OahuMPO
707 Richards Street, Suite 200
Honolulu, Hawaii 96813

Note: Any personal information (such as home addresses, home phone numbers, cell phone numbers, etc.) included on the written testimony will become public information.

Technical Advisory Committee meeting packets are available for inspection in OahuMPO's office.

ACCESSIBILITY

OahuMPO is committed to making our documents accessible to all audiences. If you need an auxiliary aid/service or other accessibility accommodation, please contact Danelle Miyahara at 808-586-2326 and danelle.miyahara@oahumpo.org as soon as possible. Requests made as early as possible have a greater likelihood of being fulfilled. Visit <https://oahumpo.org/ada-compliance/> for more information.

Upon request, this notice is available in alternate formats.

The OahuMPO is a government agency responsible for coordinating transportation planning on Oahu.
