SLUD: AG and CD (Resource) Permittee asked to contact OCCL to confirm if further CDUP required beyond KA-1190. KA-1190 and 1423 for County DWS. Permittee contacted OCCL in Sept. 2019 (COR: KA 20-57). Note: Parcel 001 formerly noted as parcels 013, 021, 022, 024, 026 in original Staff submittal and parcel 004 formerly noted as parcel 025 in original Staff submittal. During Act 90 negotiations, DOFAW requested the parcels under this RP remain with DLNR. Staff is prioritizing auctions of leases for commercially zoned lands in DLNR inventory so RP is appropriate rather than having lands sit unencumbered and allows the Department to allocate its limited resources to better manage other public lands.

Act 114, SLH 2024 allows for disposition by direct leasing for commercial use on parcels of up to five acres. Staff to explore direct leasing with current permittee.
7521	4	AKI, MICHAEL	(4) 2-5-005:004, 005, 006 LAWAI	General agriculture, employee residence	8/1/2010	7.54		\$4,128.12	\$4,251.96	3%	4/12/91, item F-5, as amended: Board approved the sale of a 20-year lease for general agriculture and employee residence. DAB has identified for possible transfer to it under Act 90. DAB to conduct due diligence, and will look at permit compliance issues and whether there is any active agricultural use. ISSUES: Brought to Staff's attention in October 2026 that Mr. Aki had passed. Staff research found that Mr. Aki had passed on December 17, 2012. No notice was ever provided to the Department. Staff's understanding is that Mr. Aki's wife is currently residing on the property, however, there has been no request to the Department to transfer the permit to the wife. Recommend that the Board not renew the RP and have the current permittee vacate the property.

If interested, DAB would need to conduct due diligence to determine whether the property is appropriate for transfer. RP appropriate until DAB decision.
7947	4	MATTOS, JOHN	(4) 1-2-002:041 WAIMEA	Cattle holding and corral	7/2/2022	2.00		\$553.44	\$570.00	3%	Appears County real property tax site is incorrect: 1. Unclear how parcel 41 was formed. State records show it is still a part of TMK (4) 1-2-002:032; 2. Parcel does not belong to ADC. Surrounding lands were transferred to ADC via EO 4660 in 2021. Records of a lease issued by ADC to private entity in 2012 (note that lease was assigned several times, ending with DOE) somehow incorporated parcel 41. Area was previously encumbered by RP S-5866 to Kekaha Sugar Co., Ltd. (Cancelled 2/21/2000). Staff to notify ADC of discrepancy. Identified during the Act 90 negotiations as appropriate for transfer to DAB; DAB completed its due diligence and will not request transfer. Per DAB's comments, it does not appear there is any agricultural activity on the parcel.
